- 1.5 Our acceptance of your Offer is conditional upon Cargill vetting the contract within no more than 24 hours of acceptance of your Offer to ensure that there are no mistakes or errors in the key contract terms. If Cargill notifies you that a mistake or error has been detected in the price quoted for the base grade for that day you agree and acknowledge that this price will be replaced with the highest price quoted for that base grade for that day (not including the erroneous Cargill/Cargill price quote and subject to Cargill confirming that the identified highest price quote was itself not a mistaken or erroneous bid) that was posted for the particular site to which the Commodity was delivered.

- 5.8 If You are a participant in a share farm arrangement, You agree that where a person makes a delivery of grain to us using the share farm Third Party Registration Number, that person is authorised to do so on behalf of each participant (including You) in that share farm arrangement.
- 5.9 You are responsible for delivering the Contracted Tonnage to the Delivery Location.
- 5.10 Non availability of segregation at a BHC Site or non-availability of particular Delivery Location does not affect Your obligation to deliver under the Purchase Contract in any way and You must deliver the Commodity to a Delivery Location agreed with Cargill.

6. FREIGHT DEDUCTIONS

- 6.1 For Delivery Type which is specified as "Port Zone" any grain delivered will have the Cargill Grower Freight Deduction, for the corresponding BHC Site and commodity, deducted from the Price or Basis specified in the Purchase Contract, except where the Port Zone is in Western Australia.

- 7.1 You warrant that the Contracted Tonnage has been produced in Australia.

- 8.1 Any Shortfall in delivered quantity will be subject to clause 20 below.
- 8.2 Deliveries that exceed the Contracted Tonnage, may at Cargill's discretion, either be accepted at the Contract Price, the cash price on that day or rejected.

10. SAMPLING AND ANALYSIS

- 10.1 Unless we otherwise agree in writing, analysis of the sample as conducted by Cargill or our representative shall be final and binding. Cargill has sole discretion whether to accept or reject deliveries of grain by You that do not comply with the specifications or requirements of the Purchase Contract. If Cargill accepts delivery of grain that does not comply with the specifications, You agree to accept payment from Cargill at the price payable by Cargill for such grain (determined by Cargill acting reasonably) as at the date on which Cargill determines the grain did not comply. Acceptance by Cargill in these circumstances does not constitute a waiver of any additional rights under the Purchase Contract.

11. GRAIN RECEIVAL STANDARDS

- 11.1 You must ensure that all grain delivered by You to us complies with the applicable grain Receiving Standards that we require at the time of delivery and all applicable State and Federal pesticide treatment legislation or standards in relation to pesticide in grains intended for stock feed and/or for human consumption or industrial purposes (**Pesticide Standards**).

12. WE MAY WITHDRAW REJECT ALL OR PART OF THE GRAIN

- 12.1 Despite any other provision of the Purchase Contract, we may within 30 days of delivery reject all or part of the grain You have delivered to us under the Purchase Contract:
 - (a) if You do not have good right and title to the grain delivered by You to us;
 - (b) if any Encumbrance exists over that grain, or the proceeds of sale of that grain, and either:
 - (i) that Encumbrance is not discharged to our satisfaction; or
 - (ii) we decide that suitable priority arrangements have not been made between us and the holder of that Encumbrance;
 - (c) if any representations or warranties that You make are not correct; or
 - (d) if You have delivered to us grain that is not compliant with our grain receiving standards or applicable Pesticide Standards referred to in clause 11.
- 12.2 If we reject grain You have delivered to us under the Purchase Contract in accordance with clause 12.1 (each a **Rejection**), we will notify You and we will require You to request a ticket amendment from the BHC Site. Once we notify You of a Rejection, we will no longer be responsible for Your grain and subject to clause 18 (Limitation of Liability), we disclaim any responsibility for any Loss You incur as a result of the Rejection or the BHC executing Your ticket amendment request and returning Your delivery to You. You agree that You will not bring a Claim against us, (or any other Cargill Entity) in respect of a Rejection made in accordance with clause 12.1 or any act or omission of the BHC Site in relation to that Rejection. For the purposes of the Purchase Contract the Delivered Tonnage excludes grain returned to You as a result of a Rejection

13. PAYMENT

- 13.1 Unless otherwise specified Cargill will pay the Contract Price to You within the Payment Terms specified in the Purchase Contract.

13.2 Any industry, statutory or government levies which are not included in the price shall be deducted as required by law, or as notified by Cargill.

14. GOODS AND SERVICES TAX

14.1 This clause 14 survives the expiry or termination of the Purchase Contract.

14.2 Words defined in the GST Law have the same meaning in this clause.

14.3 Unless otherwise expressly stated, any amounts payable or any form of consideration to be provided for a taxable supply made under the Purchase Contract is exclusive of GST (**GST exclusive amount**).

14.4 If a supplier makes a taxable supply under the Purchase Contract, and the consideration is a GST exclusive amount, the recipient must pay to the supplier an amount on account of GST on the taxable supply (GST amount) equal to the GST exclusive amount multiplied by the GST rate. The GST amount is payable at the same time as the GST exclusive amount for the taxable supply.

14.5 You have agreed with and authorised us to issue a tax invoice (**Recipient Created Tax Invoice**) and adjustment note on Your behalf in respect of any taxable supply of grain made by You under the Purchase Contract to us. You have agreed and acknowledge that You will not issue a tax invoice or adjustment note in respect of the taxable supply of grain in relation to which Cargill has generated a recipient created tax invoice and that You are registered for GST.

14.6 You must notify us immediately if You cease to be registered for GST or cease to satisfy the requirements for us to issue You an RCTI as set out in the GST Act or as determined by the Commissioner of Taxation from time to time.

14.7 If You are not registered for GST at the time a Recipient Created Tax Invoice is issued by us or it is subsequently determined that a Recipient Created Tax Invoice should not have been issued by Cargill for whatever reason:

- (a) that invoice will not be treated as a Recipient Created Tax Invoice;
- (b) we are not obliged to pay You any amount in respect of that supply unless and until You have provided us with a valid tax invoice in relation to the relevant supply; and
- (c) we are entitled to recover any amount for GST from You, which has been paid to You in error.

14.8 You warrant that You are registered for GST at the time of making the Offer and You will continue to:

- (a) be registered for the term of the Contract; and
- (b) comply with the requirements of any taxation ruling relating to the issue of Recipient Created Tax Invoices during the term of the Contract.

14.9 If an adjustment event arises in relation to any taxable supply made under the Purchase Contract that gives rise to an increasing adjustment or decreasing adjustment, the GST amount must be adjusted accordingly and where necessary a payment must be made to reflect that increasing or decreasing adjustment.

14.10 If a party is required under the Purchase Contract, to pay for or reimburse or indemnify for a loss, cost or expense incurred by the other party, the amount to be reimbursed or indemnified is first reduced by any input tax credits the other party (or the representative member of a GST group of which it is a member) is entitled to for the loss, cost or expense and then increased in accordance with clause 14.4

14.11 Any payment of an amount in respect of a taxable supply by one party to another pursuant to this clause is deferred until the issue of the relevant valid tax invoice or adjustment note to the recipient.

14.12 You must, at our request, provide us with all documentation to enable us to claim any available input tax credits or adjustments in respect of amounts on account of GST payable under or in connection with the Purchase Contract.

15. ENCUMBRANCES

15.1 You must not without our written consent:

- (a) create an Encumbrance over, dispose of, declare a trust over or otherwise deal with any interest that You have in the Purchase Contract, including all Your rights under it or any amount payable to You under it; or
- (b) create or allow to come into existence any Encumbrance which affects the Purchase Contract; or
- (c) purport to create or allow to come into existence any Encumbrance over grain that You deliver to Cargill, or create or allow to come into existence any Encumbrance over the proceeds of grain You deliver to Cargill.

15.2 Without limiting the above, You agree to notify Cargill immediately if an Encumbrance exists or is created at any time over Your rights under the Purchase Contract, over the grain, or over the proceeds of sale of grain, that You deliver to Cargill.

15.3 Without limiting the above, if an Encumbrance exists in respect of the grain that You delivered to Cargill or the proceeds of sale of that grain, then, without limitation to any other right of Cargill, including the right to indemnification. You agree to pay Cargill an administration fee for processing, complying with and paying any Claims made by the holder of that Encumbrance. You agree that the administration fee will be the amount set by Cargill from time to time, details of which are available from the Cargill Grower Service Centre but will not exceed \$500.

15.4 Whenever we reasonably request You to do anything to more satisfactorily mortgage, assure or secure an Encumbrance in favour of us in a manner not inconsistent with the Purchase Contract, You must do it immediately. It may include registering a charge or PPSA Security Interest created by or arising under the Purchase Contract where under the Corporations Act 2001 (Cth), the Personal Property Security Act 2009 (Cth) (**PPSA**) or any other applicable law, registration is required or may affect the validity, enforceability or priority of that security interest (as that term is defined in the PPSA), executing or registering any other document or agreement, delivering

documents or evidence of title and executing and delivering blank transfers.

15.5 You must take any steps we reasonably require to perfect or otherwise ensure the enforceability and priority of any security interest (as that term is defined in the PPSA) granted to us under the Purchase Contract.

15.6 You waive Your right under section 157(3) of the PPSA, to receive any notice from us in connection with the registration of a financing statement or a financing change statement. In additions, for the purposes of section 115 of the PPSA, sections 121(4), 125, 130, 132(3)(d), 132(4) and 135 of the PPSA will not apply to any collateral arising from or in connection with the Purchase Contract.

 - (ii) You agree and undertake to do all things and sign such documents necessary to restore to us our rights under the Purchase Contract and these Terms and Conditions immediately before that transaction or payment.

17.2 Except to the extent such an agreement would constitute an offence by us, You agree to reimburse, pay and indemnify Cargill (and each other Cargill Entity for which Cargill holds this indemnity on trust):

- (a) against any Claim by any person claiming an interest in any grain delivered by You or the proceeds of sale of such grain (other than an interest created or granted by Us);

- (c) for all Grower Liabilities; and
- (d) for all government charges and any Taxes (other than income tax and GST), duties and charges payable in respect of the Purchase Contract and the transactions under it.

17.4 Cargill (and each other Cargill Entity) is not required to outlay funds before claiming under this indemnity.

18. LIMITATION OF LIABILITY

18.1 To the maximum extent permitted by law all implied terms, conditions, warranties are excluded from the Purchase Contract.

18.2 To the extent that any law implies into the Purchase Contract any term, condition, warranty or additional obligations that cannot be law fully excluded under clause 18.1, then our liability in respect of a breach of that term, condition, warranty or additional obligation is limited to the maximum extent (if any) permitted by that law, as if the provisions effecting such limitation are incorporated in the Purchase Contract.

18.3 Notwithstanding any other provision in the Purchase Contract save for negligence, breach of this Purchase Contract or fraud on our part:

- (a) we will not be liable to You for any Claim, damage to or Loss, theft or deterioration of the grain;
- (b) we will not be liable to You for any Claim or Loss or damage arising or resulting from any statement, information, or advice made, given or Published in relation to the Purchase Contract;

19. FORCE MAJEURE

19.1 Neither party will be liable for delay or non-performance of the Purchase Contract which is caused by a Force Majeure Event provided that the affected party immediately (being within 2 Business Days of the Force Majeure Event) notifies the other party in writing of the circumstances of the claimed Force Majeure Event and provide details to the other party's reasonable satisfaction as to the existence and impact of such Force Majeure Event. This clause applies to the benefit of a party only for so long as the relevant Force Majeure Event continues.

19.2 A party claiming that a Force Majeure Event exists, must use its reasonable endeavours to remove, overcome or minimise the effects of that Force Majeure Event as quickly as possible.

19.3 Cargill may terminate the Purchase Contract if the Force Majeure Event continues for a period exceeding 30 days.

20. FAILURE TO DELIVER CONTRACTED TONNAGE

20.1 If You breach the Purchase Contract by failing to deliver the Contracted Tonnage or if the Delivered Tonnage is less than the Contracted Tonnage as at the end of the last day of the Delivery Period Cargill may accept or reject any Delivered Tonnage, and either;

- (a) acquire from a third party selected by Cargill, grain up to the amount of the Shortfall; or
- (b) calculate the cost to acquire, from a third party selected by us, of the grain in the amount of the Shortfall.

20.2 You must pay to Cargill on demand the difference between the cost to acquire the Shortfall or the calculated cost to acquire the Shortfall, less the price that would have been paid to You for the amount of the Shortfall.

20.3 You must pay any amounts payable by You to Cargill under this clause 20 within one month of Cargill's determination of the amount payable in respect of the relevant breach.

20.4 If a breach of the Purchase Contract occurs Your obligation to deliver the undelivered Contracted Tonnage as at the time of default becomes due immediately notwithstanding that the Delivery Period may not have expired.

20.5 You acknowledge that we are in the business of on-selling the Contracted Tonnage to third parties and may in the ordinary course of our business enter into futures or options arrangements or engage in hedging against fluctuations of currency or grain prices or arranging transportation and shipping and that if You are in default we may suffer loss (including loss of profit) as a result of conducting our business in making arrangements for the on selling of the Contracted Tonnage in reliance of receiving the Contracted Tonnage.

20.6 You acknowledge and agree that Cargill is not required to take any steps to mitigate any costs expense, Loss or liability incurred by it as a consequence of Your failure to deliver the Contracted Tonnage.

20.7 Without in any way limiting any of our rights, powers or remedies, in the event that You are in default, we may, in our absolute discretion, assign, transfer or novate all or part of our rights under the Purchase Contract or arising in connection with the Purchase Contract and/or engage a collection agency to assist us or the assignee or transferee with the collection of the outstanding liquidated damages. Interest at the Cargill Interest Rate plus five percent per annum calculated daily and compounded monthly, will apply on amounts outstanding greater than thirty (30) days.

21. WAIVER

A failure to exercise or a delay in exercising any right, power or remedy under the Purchase Contract does not operate as a waiver. A single or partial exercise or waiver of the exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver is not valid or binding on the party granting that waiver unless made in writing.

22. SET-OFF AND CLAW BACK

22.1 If any Cargill Entity has a Claim against You, whether or not arising under a contract, then:

- (a) the Claim, if a liquidated amount, will be a debt due and owing by You to the relevant Cargill Entity;
- (b) if the Claim is unliquidated, then the relevant Cargill Entity will be entitled to make a reasonable estimate of the amount claimed or owed which will be notified to You in writing. You agree that the amount of that estimate will be a debt due and owing by You to the relevant Cargill Entity; and
- (c) if the Claim is contingent, the Cargill Entity will be entitled to make a reasonable estimate of the contingent liability and You direct the Cargill Entity to withhold such amount until such time as the contingent liability crystallises (by agreement or otherwise) upon which the Cargill Entity may treat that liability as a claim to which clause 22.1(b) above applies.

22.2 If there is any debt due and owing by You or one or more of Your Related Bodies Corporate to an Cargill Entity (collectively, **amount payable**) then that Cargill Entity or any other Cargill Entity which is liable to pay any amount to You or Your Related Bodies Corporate on any account whatsoever (**amount receivable**) may deduct any amount payable from any amount receivable. This relevant Cargill Entity has this right of deduction or set off even if the amount payable is owed by You or one or more of Your Related Bodies Corporate to another Cargill Entity. The Cargill Entity to which the amount payable is due and owing and any Cargill Entity which has made a deduction in respect of the amount payable will account to each other for the amount deducted, and the amount payable shall be reduced by the amount deducted. When an estimated debt or obligation becomes liquidated or known, the relevant Cargill Entity will make all necessary adjustments to the amount of the debt due and owing to You or Your Related Bodies Corporate.

22.3 If there is any debt due and owing to You or one or more of Your Related Bodies Corporate by an Cargill Entity (collectively, **amount receivable**) then You or Your Related Bodies Corporate may, after providing us with 10 Business Days' notice, deduct the amount of any amount payable by You or Your Related Bodies Corporate (**amount payable**) from the amount receivable. This right of deduction or set off is available even if the amount receivable is owed by another Cargill Entity. In the notice to Us You or Your Related Bodies Corporate must specify which Cargill Entity owes You or Your Related Bodies Corporate the amount receivable and the prior payment date for that amount receivable. We will reduce the amount receivable by the amount payable.

22.4 If, after payment to You of any amount by an Cargill Entity in relation to a contract, that Cargill Entity decides that for any reason You had no right to some or all of that amount (including, where You are Overpaid) then, despite any other

provision of that contract, that Cargill Entity may, by giving You notice (**Notice**) recover from You that amount. The Cargill Entity is also entitled to recover from You interest on that amount at the Cargill Interest Rate applicable at that time plus:

- (a) two percent per annum for the period from the date of the Notice until the date which is thirty (30) days after that date; and
- (b) five percent per annum for the period from the date which is thirty one (31) days after the date of the Notice, calculated daily, until (but not including) the date upon which the amount is repaid, and compounded monthly. However, if You are Overpaid directly and solely as a result of an act or omission by us, interest will only be payable by You if You have not paid the relevant amount to the relevant Cargill Entity within thirty (30) days after the provision of the Notice. In that case the applicable interest rate will be the Cargill Interest Rate plus five per cent per annum (calculated daily and compounded monthly) for the period from the date which is thirty one (31) days after the date of the Notice until (but not including) the date upon with the amount is repaid.

22.5 You unconditionally and irrevocably direct us to apply all proceeds payable to You in connection with any agreement You have entered into with us, other Cargill Entities or our Associates, whether or not the agreement pre-dates the Offer, to repay any amount Overpaid to You and then to repay You any remaining balance. You ratify and confirm any and all acts carried out in connection with this authority and direction.

22.6 If any such payment made to an Cargill Entity in accordance with the terms of a contract is void or voidable for any reason, that payment will be deemed not to have discharged Your liability to that Cargill Entity in respect of that payment (notwithstanding any release or discharge given by that Cargill Entity).

23. DISPUTES

23.1 If there is any dispute, controversy, claim or difference (**Dispute**) arising between the parties arising out of, relating to or in connection with the Purchase Contract including any question regarding its existence, validity or termination, then within 10 Business Days of a party notifying the other party of the Dispute, a senior representative from each party must use all reasonable endeavours acting in good faith to resolve the Dispute by joint discussions.

23.2 If the Dispute is not settled within 21 Business Days of notification under clause 23.1 the parties will submit the Dispute to be settled by arbitration in accordance with the GTA Dispute Resolution Rules current at the date of the Purchase Contract.

23.3 Neither party to the Dispute, nor any persons claiming under either of them, shall bring any action or other legal proceedings against the other in respect of any such Dispute except insofar as that is permitted by the GTA Dispute Resolution Rules and the applicable governing legislation. Every award shall be binding on the parties. By submitting the dispute to arbitration under the GTA Dispute Resolution Rules, the parties undertake to carry out any award without delay and shall be deemed to have waived their right to any form of recourse insofar as such waiver can be validly made.

23.4 Each party must pay its own costs in relation to the settling of any dispute and joint costs are to be shared equally.

Absent manifest error, the admissibility, validity, or use of any electronically signed document cannot be contested.
- 24.8 By consenting and agreeing to use Electronic Communications You release Cargill (including its Related Bodies Corporate) and indemnify Cargill (including its Related Bodies Corporate) against, all losses and liabilities arising from any payment Cargill (including its Related Bodies Corporate) makes or action Cargill (including its Related Bodies Corporate) takes based on any instruction or agreement (even if not genuine) that Cargill (including its Related Bodies Corporate) receives by Electronic Communication bearing Your details and/or a signature that is apparently Yours (including Your officers, employees and authorised persons) except where the Electronic Communication contains a manifest error or You have not contributed to the Loss in any way. You agree that neither You nor anyone claiming through You has any claim against Cargill (including its Related Bodies Corporate) in relation to payments or actions undertaken as a direct or indirect result of Electronic Communications.
- 24.9 There are risks associated with utilising Electronic Communications.
